Frequently Asked Questions

How Does the Prevention Plan Work?

The **Troy Heritage** Prevention Plus plan works similar to many dental plans on the market. You pay a monthly membership fee for discounts on your dental expenses. The plan is designed to cover preventive services such as cleanings and oral exams. This provides coverage that can be budgeted at an affordable monthly expense while receiving discounts for your higher cost dental work.

Who administers the Plan?

Dr. Dennis Myers' office administers the plan and works with you, the patient, directly to make all dental work decisions. There is no need to contact a 3rd party company for information. All questions regarding plan coverage, verifying benefits, changing coverage type or any other questions should be directed to us here at Dr. Myers' office.

How does Specialty Dentistry work with the Plan?

Dr. Dennis Myers or an associate may refer a patient to a specialist that participates in the **Troy Heritage Private Dental Plan**. Members must verify the specialist's participation in the Network prior to accepting treatment. Your dentist will have a complete listing of participating specialists.
